Open Doors Day to visit “Ciudad de Cartagena” vessel

Since Monday 16th, the ship “Ciudad de Cartagena” has taken part in the activities for the European Maritime Day organised by “Centro Tecnológico Naval y del Mar” (CTN). On board of the boat there are ongoing campaigns of tourist departures in which they offer different routes along Cartagena coast, meanwhile talks about the arts and fishing tradition in the area are given, also workshops of sailing knots are taught, fish farms are visited and once in a while cetaceans have been sighted.

Citizens and general public are taking part in the different activities after subscribing in the website of the European Maritime Day <http://www.ctnaval.com/dia-maritimo-europeo-2016/>

Next Friday 20th from 10 am, the boat “Ciudad de Cartagena” will be docked in “Escala Real” of Cartagena dock, where the boat will be open to the public. At 12:45 pm, as part of the closing ceremony of the activities of the European Maritime Day. Furthermore, in Escala Real will take place the presentation of the project MEDGuard in which is expected that various authorities will assist to the event.
